

## **Best Practices**

Two best practices are followed in MBA

- ✓ Plagiarism for project reports.
- ✓ Siddhartha management club (SMC)

**Plagiarism for MBA project reports:** In MBA program in PG, to ensure the originality and integrity of projects by comparing it with other students' projects Plagiarism checks are done. It helps students to identify writing problems early and gives them plenty of opportunity to improve their skills. It engages them with the ideas and thus deepens their critical thinking and writing skills.

**Siddhartha Management Club(SMC):** SMC is being conducted weekly two hours in MBA which promotes the holistic development of a student involves nurturing their cognitive, social, emotional, physical, academic, creative, ethical, cultural, and personal dimensions. Education plays a crucial role in fostering well-rounded individuals who can thrive in various aspects of life and contribute positively to society. The students organize various events like elocution, debate, role play, mock interviews, Quiz, Business Models etc.
