Programme: B.Com Honours (General)

B.Com Honours (General) is a Bachelor's course of four years which is the most pursued graduation course in the field of commerce, covering subjects such as Accounting, Taxation, Economics, Financial Management, etc. Students who aspire to have a career in the finance and accounting sector usually pursue this course, with an average starting salary of around INR 3-8 LPA with career prospects such as Cost Accountant, Business Analyst, Economist, Stock Broker, Finance Advisor, Tax Consultant, and others.

B.Com Honours (General): What is it about?

- The program has been designed to offer eligible candidates specialization in a wide range of skills required in the finance and accounting sector, while at the same time building competence in a particular area of business & commerce.
- Successful graduates of the course interested in pursuing further studies in the discipline may go for pursuing MBA or M.Com.
- The program aims to build in student's competent business acumen through advanced study of general subjects such as Organizational Behaviour and Cost Accountancy, later allowing them to specialize in a chosen area. The curriculum involves intensive study, culminating with the completion of a research-based dissertation.

B.Com Honours (General): Jobs & Career

Commerce is a diverse field that includes various types of jobs in the field of Business management, accountancy, taxation, financial management, cost accounting, etc. As Accountants, commerce graduates keep track of the profit and loss records of an organization, with proficiency and training in Basic Principles of Accountancy, Cost Accounting, and Management Accounting.

They may also work as Tax Consultants or in the field of banking. Chartered Accountant (CA), Cost and Work Accountant (CWA), and Company Secretary (CS) are some other advanced career options in this field, besides financial services, marketing, project management, etc.

Below are mentioned some of the common jobs that are pursued by commerce students after completing B.Com Honours (General):

Accountant	The main job of an Accountant is to perform financial calculations for the best benefits of tax and business.	INR 2.48 LPA
