

YEARLY STATUS REPORT - 2020-2021

Part A

Data of the Institution

1. Name of the Institution PARVATHANENI BRAHMAYYA SIDDHARTHA

COLLEGE OF ARTS AND SCIENCE

(AUTONOMOUS)

• Name of the Head of the institution Dr M Ramesh

• Designation Principal

• Does the institution function from its own Yes

campus?

• Phone No. of the Principal 08662475966

• Alternate phone No. 08662470503

• Mobile No. (Principal) 9989616969

• Registered e-mail ID (Principal) principalpbs@gmail.com

• Address D.No 60-1-2/3, Siddhartha Nagar,

Moghalrajpuram

• City/Town Vijayawada

• State/UT Andhra Pradesh

• Pin Code 520010

2.Institutional status

• Autonomous Status (Provide the date of

conferment of Autonomy)

24/10/1987

• Type of Institution Co-education

• Location Urban

Page 1/128 02-12-2022 12:47:40

• Financial Status

Grants-in aid

• Name of the IQAC Co-ordinator/Director Dr.S.B. Rajendra Prasad

• Phone No. 08662475966

• Mobile No: 9440210697

• IQAC e-mail ID pbscasiqac@gmail.com

3. Website address (Web link of the AQAR

(Previous Academic Year)

www.pbsiddhartha.ac.in

4.Was the Academic Calendar prepared for that year?

• if yes, whether it is uploaded in the Institutional website Web link:

http://pbsiddhartha.ac.in/pb%C2%A
E/admin/uploads/calendar%202020-2

1%203.pdf

Yes

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A	85.2	2004	03/05/2004	02/05/2009
Cycle 2	A	3.23	2013	05/01/2013	04/01/2018
Cycle 3	A+	3.32	2019	09/08/2019	08/08/2024

6.Date of Establishment of IQAC

01/04/2004

7.Provide the list of Special Status conferred by Central and/or State Government on the Institution/Department/Faculty/School (UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC, etc.)?

Institution/ Depart ment/Faculty/Sch ool	Scheme	Funding Agency	Year of Award with Duration	Amount
Nil	Nil	Nil	Nil	Nil

8. Provide details regarding the composition of the IQAC:

• Upload the latest notification regarding the composition of the IQAC by the HEI

9.No. of IQAC meetings held during the year 3

- Were the minutes of IQAC meeting(s) and ves compliance to the decisions taken uploaded on the institutional website?
- If No, please upload the minutes of the meeting(s) and Action Taken Report

No File Uploaded

10.Did IQAC receive funding from any funding agency to support its activities during the year?

• If yes, mention the amount

11. Significant contributions made by IQAC during the current year (maximum five bullets)

- 1. ISO Certification
- 2. One Day International Webinar on "Renewable Feedstocks for Sustainable Chemicals"
- 3. Webinar on 'Challenges & Issues: Enhancement of Gross Enrolment Ratio (GER)'
- 4. 7-day seminar on `Science of soul: Physics, mathematics, and Gita'
- 5. Webinar on 'Basics of Intellectual Property Rights'
- 12.Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:

Plan of Action	Achievements/Outcomes
To introduce job oriented programmes	Started 2 new programmes 1. B.Com. (BPM) Business Process Management 2. B.Sc. (CSCS) Computer Science with Cognitive Systems in collaboration with TCS
Improve Quality Research Culture	Significant improvement in number of Scopus and web of Science publications
Motivate faculty towards patenting and to apply for research funding	1 patent was published
Recruitment of highly qualified(Ph.D) faculty	with Ph.D were recruited in the Academic Year 2020-21
To modify the Internal Assessment pattern	Modifications have been approved and will be implemented from the academic year 2021-22
Organize conferences / workshops on IPR	Two webinars were organized during December 2020 and February 2021

13. Was the AQAR placed before the statutory body?

• Name of the statutory body

Name of the statutory body	Date of meeting(s)	
Board of Management	03/08/2021	

14.Was the institutional data submitted to AISHE?

Yes

• Year

15. Multidisciplinary / interdisciplinary

Multidisciplinary & Interdisciplinary programmes / courses are always very useful and helpful to meet the needs of the society, industry and to make the students job ready. It is always the culture of the institution to gear up the students professionally, socially & ethically ready. In view of this, the institution is offering a good number of multidisciplinary programmes.

List of multidisciplinary programmes:

- 1. BBA (Business Analytics): Management courses integrated with technology courses.
- 2. B.Com. (e- commerce): Commerce courses integrated with technology courses.

Three domain programmes like:

- 1. B.Sc. (Mathematics, Statistics, Computer Science):
- 2. B.Sc. (Computer Applications, Mathematics, Electronics)
- 3. B.Sc. (Mathematics, Statistics, Data Science)
- 6. B.Com. BFSI (Banking, Financial Services, Insurance); Commerce courses integrated with management courses
- 7. B.Sc. (Artificial Intelligence and Machine Learning): Technology courses integrated with mathematics and statistics courses.
- 8. M.Sc. (Computational Data Science): Technology courses integrated with mathematics and statistics courses.

The institution always encourages faculty to carry out interdisciplinary research. The outcomes of such research are always beneficial for the society. In recent academic years i.e., 2019-2020 & 2020-2021, a good number of open elective courses are offered to the students of PG.

List of Open	Elective courses.
1	ENGLISH COMMUNICATION SKILLS (OPEN ELECTIVE)
2	COMPUTATIONAL MATHEMATICS (OPEN ELECTIVE)
3	DATA VISUALIZATION (OPEN ELECTIVE)
4	CHEMISTRY IN DAILY LIFE (OPEN ELECTIVE)
5	ENGLISH PRESENTATION & SOFT SKILLS (OPEN ELECTIVE)
6	VISUAL ANALYTICS FOR EXECUTIVES (OPEN ELECTIVE)
7 ELECTIVE)	PROBLEM SOLVING USING PYTHON PROGRAMMING (OPEN
8 ELECTIVE)	FUNDAMENTALS OF ANALYTICAL INSTRUMENTS (OPEN
9	OPTIMIZATION TECHNIQUES (OPEN ELECTIVE)
These courses other subject	will help the students to gain basic knowledge in domains.

16.Academic bank of credits (ABC):

The college is starting the process of registering our college in the database suitable to "Academic Bank of Credits". Shortly our Management is likely to make decision in this regard.

17.Skill development:

The employability of a student depends on his / her knowledge and skill. To hone up the skill set of the students, a good number of skill enhancement courses (SEC) and Skill Development Courses (SDC) are offered by various departments. The purpose of offering these courses is fulfilled through progressive number of placements during the last three years.

SEC

- 1. Power BI
- 2. Tally (Accounting Software)
- 3. Statistical Computing using SPSS Software
- 4. Project Management
- 5. Tally (Accounting Software)

- 6. Personal Finance
- 7. Mobile Application Development
- 8. MONGO DB

SDC

- 1. Digital Marketing
- 2. Electrical Appliances
- 3. Plant Nursery Management
- 4. Environmental Audit
- 5. Insurance Promotion
- 6. Logistic and Supply Chain Management
- 7. Web Development with Python (Django)
- 8. Introduction to Work Sheet Lab (Excel and VBA)
- 9. Web Designing Lab
- 10. Dat Analysis Using MS-Excel Lab
- 11. Robotic Process Automation Lab
- 12. Introduction to Numpy & Pandas
- 13. Security Analyst-1
- 14. Cyber Security Essentials
- 15. Security Analyst-2
- 16. Disaster Management (Self Study)
- 17. Financial Markets
- 18. Electronic System Design & Manufacture with PCB
- 19. Enriching Communication Skills
- 20. Elementary Number Theory
- 21. Statistical Data Analysis using R-Programming Lab
- 22. Statistical Data Analysis using JSAP
- 23. Tally
- 24. Financial Analytics Lab
- 25. Online Business
- 26. Survey and Reporting
- 27. Power BI
- 28. Solar Energy
- 29. Statistical Data Analysis using SPSS Lab
- 30. Descriptive Statistics
- 31. Journlism-Mass Communication
- 32. Aquarium Fish keeping and Maintenance of Aquarium

Placements for 3 years:

2020-2021 - 276

2019-2020 - 443

2018-2019 - 405

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Teaching Indian knowledge is a part of curriculum in respective courses. The language course in mother tongue (Telugu), provides a wide spectrum of Indian culture, listing along with moral values, professional ethics are being taught by connecting the Indian examples from Mythology etc. However specific content focusing on Indian knowledge system has to be evolved and implemented in due course in syllabi of various programmes.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Institution has created an eco system of outcome based learning and faculty has been trained well through workshops and seminars to understand the core idea behind Outcome Based Education. In view of the importance of OBE in present scenario, the departments have framed the syllabus with respective outcomes duly mapped with Programme Outcomes. The Programme Educational Objectives are drafted in line with the vision and mission statement of the Institution and subsequently PO's are also drafted programme-wise. These POs are mapped with PEO's.

The Co-attainment process includes direct & indirect attainment. Indirect attainment is done basing on the course exit survey conducted at the end of every semester on a five point scale. 30% and 70% weightages are assigned to indirect and direct attainments respectively. The same procedure is adopted for all the six semesters in UG and four semesters in PG.

At the end of the programme, Programme Outcome attainment has been done depending on the level to which CO is mapped with PO (3 point scale L, M, H Levels).

20.Distance education/online education:

At present the institution is not offering any course / programme through either distance mode or online mode. However, in view of the students affinity towards technology & gadgets, the departments of the institutions are encouraging students to register for MOOC's courses offered through various platforms like course era, Edx, NPTEL, Swayam etc. and additional credits are assigned for these in the student marks memos. Nearly, 1174 students of various departments have successfully completed to

MOOC's courses.

MOOCs courses to be offered by the	he college a	re under the process.

Part B

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

Response

The curriculum of all programmes is developed, based on the

feedback of the stakeholders, in line with OBE. An overview of the modifications in the curricula to meet the developmental needs at various levels is given below.

The project component is made compulsory in many of the programs and it helps the students to gain hands-on experience in the relevant discipline. Field work introduced in some courses enables the students to learn practically. Students are made to involve in extension and neighborhood activities. Courses encourage the family business (e.g. Managing Family Business) transforming the socio-economic status of the region. Industrial visits expose the students to real time problems.

The institute has introduced several new programmes in the areas of Data Science, Data Analytics, Cyber Security, Artificial Intelligence, Machine Learning etc., aiming at enhancing the technical and entrepreneurship skills of the students that are in sync with Start-up India policy. Courses are also in tune with the national mission of 'Make-in-India'. Python andR-programming keep the students technically sound. Courses on renewable energy, climate change and environmental effects are offered to sensitize the students to global scenario. In addition, a range of co-curricular and extra-curricular activities are aligned with the multi-dimensional development of the student, which has an impact on the national and global developmental needs.

1.3 - Curriculum Enrichment

Page 16/128 02-12-2022 12:47:41

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

Curriculum in the college integrates cross-cutting issues relevant to gender, environment and sustainability, human values and professional ethics

- 1. Gender Sensitivity: Gender related courses are the integral component of various programmes. Gender sensitization camps are organized in slums and rural areas of Krishna district about women's rights, human rights, child rights, gender justice and gender equality. Community outreach programmes like health and hygiene camps, and village adoption expose students to real life situations. College annually organizes activities that help in gender sensitization.
- 2. Environment and Sustainability: Strong community orientated work culture in the college enables sustainable way of life, that involves integration of water quality, air quality, education and healthcare, agriculture and dairy practices, innovation and human values. Skill courses like Water, Sanitation and Waste Management, Renewable Energy, Agriculture and Environmental and Green Technology are also part of curriculum. "Environment studies" is a compulsory life skill course for all UG programmes. Great importance is accorded to research in inter-disciplinary areas focusing renewable energy, environmental pollution, agriculture, education and healthcare.
- 3. Human Values and Professional Ethics: Life skill courses focus Cultural Education, Scientific Methodology, General Knowledge and Current Affairs, Social Service, Comparative Study of Religions, Environment Studies and Disaster Management facilitate all-round development of personality.

The Institute also has a Model Code of Ethics to curb various malpractices.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The college categorizes the students into slow learners and advanced learners based on the prerequisite tests, class interaction, test performances, laboratory performance and their achievements in various events from each class.

Faculty members at the institute, give emphasis on improving the performance of slow learners by providing remedial coaching and conducting periodical tests, providing additional laboratory hours which are conducted outside regular classes. Specifically, for difficult subjects classes are taken for students who have failed in the exam where the faculty spares time to sit with those students individually to cope up with the subject.

Through mentor-mentee system faculty members also support slow learners. The efforts taken by the faculty has resulted in enhanced levels of students understanding. The mentor also identifies other skills and strengths of slow learners.

The advanced learners of the class have given special assignment and ask them to do projects from industry and certifications in advanced concepts of the subject.

The toppers of each class are nominated as class representatives and office bearers, Coordinators of clubs and professional committees which facilitate to showcase their expertise. And also they will be sent to outside as college representative in participating various competitions and seminars.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

Institution has made provision in structure of all programmes to give students experiential and participative learning experience. Students can join any Industry / Advanced Laboratory / MNC etc. for internship in final year. Project work, assignment, quiz, presentation etc. are integral part of CIA in all programmes.

Student centric methods adopted by departments to provide Experiential and Participative Learning Experience:

- Offering MOOCS courses in the program curriculum.
- Participation of students in seminars, conferences, student contests and industrial visits.
- Encouraging the students to publish research articles in peer reviewed National / International Journals.
- Providing campus recruitment training to students.
- Presentation of market survey reports by the Commerce and Management Students.
- Engaging students in Public Awareness Programmes.
- Interdisciplinary Job Training is provided for students at Departments.
- Conducting additional lab exercises for advanced learners.
- Conducting intra departmental and State level student meets.

Problem solving Methods:

Design of Students Tasks that inculcate in them problem solving skills; they receive practical and direct experience of negotiating difficult situations, and are trained as capable, competent and accomplished individuals.

Problem solving methods used in student centric activities:

- 1. Trial and error
- 2. Breaking large task into small steps
- 3. Creating short goals to achieve the end.

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

College uses information and communication technology (ICT) in education to support, enhance, and optimize the delivery of education.

As institute is collaborated with Google, students and faculty are provided with institutional mail ids using to share e-materials which benefit the students to access the resources anytime from anywhere.

Faculty members are empowering departments by conducting skill edge programs, hands on workshops on latest technologies, adapting curriculum designed by NASSCOM and by providing internship assistance. Institution is also collaborated with good number of professional bodies /Organizations to promote emerging it trends and online training & certifications.

The following tools are used by the institute

ICT tools:

- Projectors: projectors are available in different classrooms / labs.
- Desktop and laptops are arranged at computer lab.
- Seminar rooms: one seminar halls and one webinar hall is equipped with all digital facilities.
- Smart board: smart boards are installed in the campus.
- Auditorium: it is digitally equipped with mike, projector, cameras and computer system.
- Online classes through zoom, Google meet, Microsoft team, Google classroom.
- MOOC platform.

Digital library resources.(del net, myloft, Magzter etc.)

Online competitions: Various technical events and management events such as quiz, debates, paper presentations etc. are being organized with the help of various information communication tools.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Before the commencement of the academic year, the institution prepares and publishes 'Academic Calendar' containing the relevant information regarding the teaching learning schedule (working days), various events to be organized, holidays, dates of internal examination, semester examination etc.

The Academic Calendar is prepared so that teachers and students should know all the activities regarding continuous internal evaluation process.

Every department has to submit the compliance of the academic calendar as part of their annual submissions. In addition the internal audit conducted which ensures the compliance to verify

Page 23/128 02-12-2022 12:47:41

with documentary evidence.

The process is as follows:

Teacher: Every teacher is assigned the courses to be taught during the academic year. Teacher plans, teaching and evaluation schedule of assigned courses has to be maintained by the concerned teacher.

Head of the Department: The Head of the Department compiles the Academic Plan submitted by the teachers and ensures that there is no overlapping of the activities in general and the internal examinations as well as the external examinations. Then the academic calendar is forwarded to the IQAC.

IQAC: The IQAC compiles the inputs received from the various departments and a comprehensive plan is prepared and uploads on the college website.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The IT integration has rationalized the whole examination procedure and has raced up the operational mechanism, while making the complete procedure more transparent.

The institution has developed Customized Software which includes the following practices

- Semester-End Examination Applications received from candidates are registered and data is computerized.
- Timetable is prepared and data entry is made.
- Halltckets are generated and printed with relevant time table with dates and time of examination for which the candidate has registered.
- Date wise and session wise list of candidates is generated and printed.
- Code numbers to be printed on answer scripts are autogenerated.
- Marks scored by students in CIA are recorded by data entry in database.
- Marks awarded by external examiners in Semester-end Examination are entered twice by two different data entry operators to find out mistakes in data entry.
- Register of Tabulated Marks is generated and printed.
- Marks Sheets / Grade Sheets are printed.
- Results are announced after getting approval from the

Principal.

• Students can avail the facility of revaluation after the release of Results. If the students benefitin revaluation the marks awarded after revaluation are considered.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The learning outcomes are clearly defined for all academic programmes and courses of the College. They are instrumental in achieving the mission and objectives of the college. The learning outcomes are measurable and are expressed as complete declarative sentences.

The outcomes are assessed and measured to identify the extent to which goals are accomplished. The assessment of student learning outcomes is done by using direct and indirect measurement tools.

Through course outcomes students can able to

- 1. Acquire, synthesize, and communicate knowledge by incorporating relevant disciplinary approaches, cultural perspectives.
- 2. Recognize moral and ethical questions in lived experiences, evaluate alternatives, and act with integrity.
- 3. Contribute to the common good by displaying a disciplined sensibility and committed engagement in response to complex challenges facing local, national, or global communities.
- 4. Demonstrate the vision and self direction necessary to articulate, set, and advance towards their goals.
- 5. Think critically in formulating opinions or accepting conclusions.

6. Exhibit creativity or innovation in pursuit of their intellectual interests.

COs are stated in session plan and available online. POs are stated in the programme structure and available online. Programme learning outcomes are also available on website for each academic programme.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The college has a process of evaluating data on programme and course outcomes, in its process to overcome the barriers in learning.

The assessment takes place at following levels:

- a) The Course-level Assessment includes:
- 1. Continuous Assessment.
- 2. End semester Examination Assessment.
- b) The Programme level assessment includes: Assessment of Programme Outcomes through direct and indirect methods.

Method of Assessment: A. Direct Assessment Methods:

- 1. Internal Examinations: Two written examinations are conducted and their average mark is considered.
- 2. Assignments: Average mark of two assignments is considered.
- 3. Internal practical examination: Continuous evaluation is considered.
- 4. Comprehensive viva voice Examination: It is to assess the

student's technical and analytical skills.

- B. Indirect Assessment Methods:
- 1. Course End survey: This survey gives the opinion of the student on the attainment of course outcome. Here, the CO attainment is calculated under indirect assessment.
- 2. Programme Exit Survey: This survey is conducted at the end. It gives the opinion of the graduate on programme outcomes.

RESEARCH, INNOVATIONS AND EXTENSION

02-12-2022 12:47:41

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The college aims to create and support a research culture among its staff and students, enriching and enhancing the professional competence of the faculty members for developing and promoting scientific temper and research aptitudes of all learners. The college is also working for the contribution to the National development by providing necessary funding for facilitating the research and related activities. It also aims at ensuring that the research activities of the college conform to all applicable rules and regulation as well as to the established standards and norms relating to safe and ethical conduct of research. The research policy of the college clearly spells of the methodology to be followed in doing ethical research and proper reward system for the researchers.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

Response: The College has created an eco system for budding entrepreneurs by providing proper training to start their own ventures based on their creative ideas.

S-iSpace (Siddhartha Innovation Space) is established in the campus with an aim to provide platform for the students to share

Page 32/128 02-12-2022 12:47:41

their ideas and seek clarifications from experts. This has provided all the required inputs for the students aspiring to become entrepreneurs.

Activities of S-iSpace

- 1.MoU with APIS (Andhra Pradesh Innovation Society and Startup Squid) A Memorandum of understanding is signed, in the form of tripartite agreement among APIS, Startup Squid and the college.
- 2.Startup Saturday with the support of Startup Squid and APIS, two hundred students from different colleges of various disciplines were given training for six months on every Saturday on idea creation, idea formulation, etc.

The S-iSpace of the college has chalked out the following activities to enhance the incubation eco-system further.

- a. To organize learning sessions through workshops, seminars, invited talks on regular basis;
- b. To support the startups with seed funding and other needed help;
- c. To be part of eco-system to promote the initiatives of Government such as Make In India, Start

Up India., etc.,

The college is organizing webinars on entrepreneurship, seminars on new technologies for the budding entrepreneurs.

3.6 - Extension Activities

Page 36/128 02-12-2022 12:47:41

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

The institute promotes regular engagement of students with neighborhood community for their holistic and sustained development by conducting various activities like awareness programs, workshops, rallies, National Integrity related activities with themes like cleanliness, gender sensitization, traffic rule awareness and empowerment of women. Continuous voluntary activities like Swachh Bharat, Blood Donation have been organized. These activities are well planned and conducted with the involvement of local authorities wherever needed.

Impact & Sensitization:

Exposure to the extension and outreach activities have sensitized the students towards social issues and also they find solutions for some issues like domestic violence, dowry, child abuse, female child, victims of violence, issues to the old people and support to covid victims etc. The activities conducted lead imbibing the values of social responsibility such as:

- 1. Helping people in need and distress
- 2. Understanding the needs of under privileged children
- 3. Cleanliness in all spans of life and common places.
- 4. Importance of Ethical values in Society and its need
- 5. A profound interest in environmental related issues.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

Response: The Physical infrastructure available in the college is adequate, appropriate, supportive and sustainable to the students for their academic pursuit and holistic development. The campus is Wi-Fi enabled, with 110 Mbps bandwidth network. Media Centre, Webinar hall, Seminar hall, Conference hall, e-class rooms, Studio, Data Centre, Central Research lab, Idea room/incubation centre are the other hangouts available in the college. Classrooms are equipped with permanent/ movable LCD projectors and 4X8 feet white boards/Interactive boards for ICT enabled teaching. An excellent collection of books is available in the Central Library and Department Libraries. An Auditorium with architectural acoustics accommodates nearly 1000 students. Studio facility in the webinar hall facilitates the video recording of the subject content. A well-furnished Cafeteria caters the students and staff with delicious eatables and beverages at nominal rates. The College has lift facility to staff, students and also for the disabled persons. The college buildings are equipped with fire safety system. In addition to the above facilities the college is provided with un-interrupted power supply (125KVA generators -2No's), UPS for labs, and also have restrooms for both genders, all facilities for divyangans, 700 lt/hr RO plants-2No's, Canara Bank Branch, Post Box, First-Aid room, City health Centre, Shared hostel accommodation for the students.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

Response: The College has adequate facilities for sports, games and cultural activities. A spacious playground exists on the campus for games such as Cricket, Football, Volleyball, Basketball and Athletics. Floodlight facility is available to the Basketball court, facilitating day and night matches. Walking track around the play field is used by the community and stakeholders of the college for their fitness. Indoor Stadium provides facilities for indoor activities such as Table - Tennis, Shuttle Badminton, Weight Lifting etc. Wooden floor is maintained to conduct the competitions at national level. A modern multi-gym in two frames containing 32 stations is serving the fitness needs of all the stakeholders. The infrastructure in the gym is also utilized by the community and neighborhood. A space is also earmarked for yoga. It is very serene in ambience and absorbing in practice. A large auditorium that can accommodate 1000 spectators caters to exhibit the cultural performances by students and public. The college has conducted one South Zone level volleyball tournament, 11 inter-collegiate tournaments at Krishna university level and the college ground was used for several private tournaments like Eenadu cricket competitions, etc. An open stage with audio facilities is available to support all cultural activities.

4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

Response:

The College has high-end infrastructure particularly Computer systems in its labs, LAN network for sharing band width and WiFi. The IT infrastructure in the labs, server rooms are well maintained and also having air conditioning facilities. The ICT facilities and other learning resources are sufficiently available in the institution for academic and administrative purposes. All departments are equipped with E-Class Room set up. The institution has 830 computer systems connected with 11 servers in LAN accessed to the Internet at a total bandwidth of 110 mbps along with Wi-Fi connectivity. Computer centers are using proprietary and open source software. Tally ERP 11 software is used for accounts and auditing. The library is automated using the NewGenLib 3.1.2 (Integrated Library Management System).

The college has it's IT policy and take actions as per policy for ample technology deployment and maintenance. As per the policy, the college provides WiFi to the stake holders and taken necessary care with reference to Cyber security.

Every year, the college authorities approve budget for Procurement of additional Infrastructure and for maintenance of existing networks, systems and supporting gadgets in Board of Management (BoM).

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.

The Policy of the college is primarily focused on adequacy and optimal utilization of facilities to maintain the quality of education. The details of the policy with regard to systems and procedures for maintaining and utilizing physical, academic and support facilities are approved by the governing body. Committee recommendations are reviewed periodically for formulating action plan, budgeting, AMC and outsourcing. Maintenance committee of the college reviews all the facilities that are available, takes feedback from all the Heads of the department regarding facilities required and recommends to the governing body of the institution.

The governing body appoints permanent technical, skilled and unskilled employees to take care of day to day maintenance of infrastructure which is supervised by the supervisors of the office. The supervisor coordinates with technical, support staff for the maintenance of indoor and outdoor infrastructure and facilities of the institution. It is the responsibility of supervisor for up keeping and cleanliness of classrooms, laboratories, library, gardens, playgrounds and surroundings. Institution has Annual Maintenance Contract (AMC) with the suppliers. Initiatives are taken from time to time to improve the physical ambiance of the campus. The institution has developed policies and procedures for the purchase and maintenance of the infrastructure.

Important responsibilities of the members of Student Council are appointing graduate student members in committee those covering a variety of issues and handling diversified situations. The student council helps in sharing students' ideas, interests and concerns with

Page 48/128 02-12-2022 12:47:41

teachers and higher authorities. They design to learn skills, an extension of their formal education. The general aim of the body is to coordinate a wide range of co-curricular & extra-curricular activities apart from practicing and promoting values in the process of living up to the mission of the institution. This gives an opportunity to develop leadership skills by organizing and executing the set goals of the student community by students aptly for students and by students. In addition, community welfare is also in the front seat while shaping the personality of a student in the college, inculcating the habit of giving back to the society, as a responsible entity of the community. College promotes and encourages the involvement of students in organizing college activities. The students learn to co-operate at various levels acquiring the qualities like perseverance, sympathy, empathy, steadfastness, righteousness, discipline etc that are needed for a successful life.

5.4 - Alumni Engagement

- 5.4.1 The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services
- P.B. Siddhartha College Alumni Association is a registered body with Regd.no: 767/21.12.2000 and the purpose of this Association isto foster a spirit of loyalty and to promote the general welfare stakeholders of alma mater. As a part of committed responsibility, the alumni have provided internships and placement training to the

Page 49/128 02-12-2022 12:47:41

students. Our college is not the only cynosure to the Alumni Association, public or the neighborhood. Various activities are also conducted throughout the year as a social responsibility. Clean and green, drinking water facilities, awareness programmes and curtain-raiser programmes are also the part of agenda for the association. Life skills, communication skills and employability skills are the identified key areas supported by the alumni association to enrich the student community. The Alumni also organized seminars, guest lectures and faculty development programmes to enrich the teaching faculty. Scholarships, free ships and cash awards will be disbursed to the deserving students to pursue their dream careers. To meet all these responsibilities, the association aims at conducting fund raising events and charity donations from the members and public. It also promotes the membership from the outgoing students of the college through subscription. Supporting the college, in any possible, is a gratification to the alumni.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Institution has a broad vision statement and well defined mission statements. The vision is to groom the student with holistic education. The governance at P.B. Siddhartha is always aimed at fulfilling the vision with a successful mission. Imparting leadership skills in students is one such aspect of holistic education.

In order to impart leadership skill, the college follows

participative decision-making process which is a key factor not only to achieve the vision, mission and goals of the institution but also in building the team spirit and good organizational culture. The excellence of the institution is based on effective functioning of its academic and administrative units which are governed by the guiding principles. The effectiveness of leadership of the faculty and Management is enhanced through continuous involvement in organizing institutioncentric activities.

The Management of the college created a participative working environment of security, trust, and expertise to facilitate the creative and innovative process. The Professional faculty development programs on Management Skills, Teaching and learning methodology and communicative skills are often conducted to improve the leadership qualities. Every faculty member is involved in various academic, administrative and other non-statutory committees. The College Committees are led by senior faculty members and supported by the second-line leaders among the faculty.

Paste link for additional Information	https://www.pbsiddhartha.ac.in/profile.php

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

To facilitate participatory management and democracy, faculty, non-teaching staff, parents, alumni and students are been part of academic and administrative governance of the institution. The outcomes of this ecosystem are collective leadership, empowerment and multilevel tasking. This practice helps in defining policies & procedures, framing guidelines and rules & regulations of the governance in the institution. Decentralization in P. B Siddhartha College of Arts & Science is a systematic distribution of authority at every level cutting across the hierarchy to have effective participation both in Academic and Administrative works.

Academic decentralization functions through the Administrators, IQAC, statutory and non-statutory committees. All Committees constituted with staff and students follow the vision, mission, strategic goals and objectives of the Institution. The most

Page 51/128 02-12-2022 12:47:41

important wings like III cell (Industry Institute Interaction cell), EDC (Entrepreneur Development Cell), Women Empowerment Cell, Placement Cell, Skill Development Cell etc., are crucial in extending necessary inputs and insights empowering the student community of the college. Grievances Cell, Internal Complaint cell have big role in redressing the misunderstandings. Mentoring system in the college is very effective in tutoring the wards. Alumni contribution is no less significant in governance. Cocurricular and extra-curricular wings complement the holistic development of the students.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/Perspective plan has been clearly articulated and implemented

As drafted in the Strategic Plan 2018-2025, the institution making efforts year after year to realize the goals. The key aspects of the plan include Academic Excellence, Wholesome Education, Research Excellence, Collaborations, Start-ups & Entrepreneurial Development, Self-learning & continuous learning, Career counselling and Training & Placements. These strategic targets are achieved by the presence of healthy governance in the institution, adequate infrastructure and sufficient funding. Offering Diverse and Job Oriented Programmes, Entrepreneurship Development, Startups and placements are focused areas. Two New Programmes offered in the academic year 2020-21 in collaboration with TCS are B.Com.(BPM) Business Process Management and B.Sc.(CSCS) Computer Science with Cognitive Systems. Skill Training Centre, Welldesigned Teaching Learning Systems and Enhanced Research Support and Innovation are few more outcomes in this academic year. Enhanced ability of Human resources, Garnering Support from Alumni and Philanthropists, Creating Eco-friendly Campus, helping the neighborhood achieved satisfactorily.

Entrepreneurship Innovation and Start-up Centre of P.B. Siddhartha

College of Arts and Science (PBSCAS-EISC) is encouraging start-ups for aspiring entrepreneurs and supporting them by providing necessary infrastructure and resources grooming the young entrepreneurs and to cultivate the startup culture in the campus with 360 degree support facilitation. Govt. Authorities, DIC-GM, MSME-Authorities, Bankers, Entrepreneurs, Socio Entrepreneurs, Start-up promoters are roped in for the benefit of young entrepreneurs.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The Institution has a well-defined organizational structure and hierarchy to support participative decision making processes. The Organizational structure helps in assigning tasks, delegating authority to get things done, creating accountability, bringing coordination among various activities and programmes for teaching-learning processes, research, co-curricular activities and extracurricular activities through involvement of stakeholders in various Committees/ Boards.

Governing Body (GB)/Board of Management (BOM), Executive Council and Academic Council constituted with members having domain expertise. Decisions made by GB, Core committee, Academic Council and Planning & Evaluation committee are disseminated by the Principal to all the teaching and non-teaching staff members for implementation. Principal will look after all bodies particularly Office administration, Academics, Training & Placement, Extracurricular activities and various committees. The Principal also maintains cordial relations with alumni, MoU partners, people from society and take decisions actively. Anti-ragging, Internal complaints committee and other statutory committees are established and doing their role. Core Committee, Academic Council etc. constituted for evaluating, monitoring and recommending actions related to Institutional Capacity, introduction of new programmes, design and review of Course Curriculum; Research;

Examination and Evaluation, etc. for sustaining and enhancing quality education.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/progression

The very logic behind providing welfare schemes is to create efficient, healthy, loyal and satisfied employees for the organization. The institution has effective welfare measures for teaching and non-teaching staff. Various facilities, services and amenities have been provided to employees for improving their health, efficiency, economic betterment and social status. The management of the institution has been offering various employee welfare schemes and amenities to both teaching and non-teaching staff are as follows.

Gratuity

Employee's Provident fund

Employees State Insurance Scheme

Subsidized medical and health services at sister institution

Employment on Compassionate Grounds

Maternity leave

Sick and other Leaves

Group Insurance

First aid Center

Employee protection

Uniform to non-teaching staff

RO drinking water

Canteen facilities

Washrooms and restrooms

Fitness centre

Yoga centre etc.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

External Audit:

The income and expenditure of the institution are subjected to regular internal and external audit. External auditor is appointed by the institution who executes the statutory audit. Last audit was carried out in the month of November 2021. No irregularities

Page 56/128 02-12-2022 12:47:41

were found in the audit. The institution has been engaging qualified chartered accountants and experienced audit expertise to conduct the internal and external financial audit. The auditor can verify all the finance related income and expenditure statements, documents like bill books, cash books, ledgers, other financial statement etc. The commissioner of collegiate education delegated Government auditor also to check the college financial accounts. Random audit will be conducted by the auditors of the Accountant General Govt. of India. They also verify the college accounts relating to Government grants, UGC grants and its utilization.

Internal Audit

The institution has constituted a committee of internal audit with experienced faculty to undertake the task of a systematic evaluation and documentation of financial statements, taxes, expenditures and incomes, obtained by the institution from Registration & Academic Fee, Payment Transactions, and Funds & Donations from non-govt. organizations, individuals, philanthropists, Grants from Government or other local bodies, and other sources. The committee conducted audit in the month of 13th December, 2020. No discrepancies were found in the audit.

6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Page 57/128 02-12-2022 12:47:41

Institution has taken utmost care for the mobilization and utilization of funds to meet the objectives. The institutional strategy to generate funds is primarily based on Quality enhancement strategy. This strategy will be related to teaching learning, research and development, consultancy etc. By providing quality enhancement, a better fee structure can be claimed by the college. Quality enhancement of the institution is nurtured to generate funds from different sources like Institutional consultation, user fee of infrastructure, alumni, Tuition fee etc. Adequate funds are allocated for effective academic and administrative processes, maintenance of Infrastructure, amenities in the institution. Funds are allocated for community service activities.

Procedure to prepare annual estimates of Income and expenditure

- The institution and departments propose their annual financial plans based on academic planning to the finance committee of the institute to achieve educational purposes and objectives.
- The proposed budget is examined by the finance committee of the college for the academic year.
- The administrative and financial approvals are taken from competent authority i.e. Governing Body as per policy and guidelines.
- The various heads for which budget is prepared and funds allocated are confirmed by the finance committee as per the guidelines of GB.

The Finance committee is responsible for observance of regulations relating to maintenance of accounts of income and expenditure and considers any other matter referred by the executive council of the institution.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental

Page 58/128 02-12-2022 12:47:41

improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

Response:

IQAC has been putting its tireless efforts in improving the academic and administrative performance and is contributing towards quality enhancement through internalization of quality culture and institutionalization of best practices. Two significant practices institutionalized during last five years are:

The IQAC has taken initiatives to improve research culture by arranged number of FOPs and FDPs. It has initiated financial assistance to conduct research projects by faculty with the support of the management and also incentives for quality research publications ranging to a maximum of Rs.15000/-. The training programmes like "Quality Research Publications in Scopus and Web of Science Journals", "Submission of Research Proposals for Grants from Funding Agencies", "Intellectual Property Rights - Patenting" etc are organized. Quality research publications in Scopus and Web of Science journals as well as one patent are published during 2020-2021.

The IQAC of the institution has initiated to conduct workshops, seminars etc., and also taken initiative for arranging required facilities like laptops, enhanced wi-fi bandwidth, gadgets like pentabs, microphones, camera stands etc., with the support of the management for online teaching in pandemic situation. These initiatives have resulted in successful conduct of online classes to the students, of course to the satisfaction of students and parents. This has helped in on time completion of academic year.

File Description	Documents

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

Teacher in this college is a facilitator in the classroom to transform a student into active participant in learning process. The faculty in the college is well trained through FDPs and FOPs. Faculty have initiated flipped classroom in their regular

Page 59/128 02-12-2022 12:47:41

teaching. This blended teaching includes open resource videos and PPTs along with regular method. Some courses are integrated with theory and simultaneous hands on experience. Students are mandated to participate in seminars, workshops and subject related guest lectures. Industrial trips and field visits are compulsory in most of the courses enabling the students to gain experiential learning but missed in this academic year. The delivery system in the classroom is reviewed from time to time by IQAC. Most faculty members are with higher qualifications and the faculty members are encouraged to improve their qualifications. In the pandemic situation, the faculty members are guided to enhance their knowledge through online platforms. All faculty members completed not less than 2 courses in their domain and interdepartmental areas. Faculty members are carrying out quality research publishing good number of quality research papers in reputed journals.

Feedback collected from the stakeholders regularly on the syllabus, faculty and amenities in the institution. The collected information is analyzed statistically. Necessary actions were initiated in desired areas.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The health consequences on gender inequality have the greatest effect on women and girls. Gender norms are embedded in our institution. Normative expressions of femininity encourage women's health. In this regard 4 (Andhra) Girls BN, NCC and Women Empowerment Cell in the college organized a Webinar for girl students on 'Hygiene for Adolescent Girls' on 2nd January 2021 by Dr.A. Vijaya Lakshmi, Gynecologist from Hyderabad. 200 girl students watched online. On 15th June a Webinar on 'Stress Management, Resilience and Living' was hosted.

Ms Anita Peter a multifaceted personality who wears many hats as Author, TedX Speaker, Biker and CEO of Persona Script dwelt on how to counter the stress caused by various reasons. 2110 viewed on YouTube in August 2021.

WEC organized webinar on Nutrition the best way to improve Immunity, by Dr. Pernicle Srinivas, on 15th July 2021 through You Tube to attain protection from Corona or any other kind of viral infection.

Department of Computer Science had organized Poster presentation, Elocution, Singing and Essay Writing competitions to bring awareness on gender equity issues on 11th December 2021.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

All waste materials generated in the college are properly managed. The Centre for Green Initiatives in the college ensures the waste management including the proper collection, treatment and disposal of all kinds of wastes, along with regulation of the waste management process. The paper waste from the College is shredded or sold to a waste entrepreneurial NGO named 'Green Bin'. One-side-used paper is reused for printing in the office as well as departments. Solid waste is segregated into biodegradable and non-biodegradable wastes at the source itself. The total solid waste collected in the campus is nearly 21 kg/day. Biodegradable waste is managed using the solid waste well ventilated pit. Biological scum is used for fast degradation. The organic waste from canteen and mess is sent to vermicomposting shed. Scientifically managed vermicompost shed facilitates the conversion of kitchen waste into manure.

Segregation of chemical waste from laboratories is also practiced. Due care is taken for hazardous chemicals. Metal, glass and wooden waste is stored before being disposed of to an authorized scrap agent for further recycling. The waste water generated in RO process is used in the college washrooms and watering the plants. The college has entered into MoU with a vendor for disposal of e-waste. Certificate is issued by the vendor for its recycling.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

Our institution has strived hard to spread the richness of culture and develop comprehensive nature towards society in the students. To reflect our Andhra culture and celebrate happiness, harvest festival 'Sankranthi' is celebrated in the campus. Besides, Christamas eve is also celebrated to bring religious harmony in the students. Mummaneni Subbarao Siddhartha Kala Peetham — a Cultural outfit of the college in collaboration with 'The Dance India' organized various Online Music / dance programs. Classical dance forms — Mohiniyattam, Sattriya and folk dance forms — Gujarati Folk Dance, Kathak Dance, Paika Folk Dance and Bharathanaatyam were performed as a part of "Amrapali Music & Dance Festival". This encouraged the youngsters to exhibit our traditional culture. It also rejuvenated the connoisseurs of Dance, Art & Music.

To inculcate the habit of cleanliness among students, neighbourhood activities were initiated "Street Plays" were performed to create awareness on Swachh Survekshan programme. Spit Free India Movement by NSS volunteers and NCC Cadets were conducted to create awareness on tobacco free life among the people. The danger posed by single use plastic was informed by conducted an awareness programme.

To top over, poetry recitation in Telugu 'Ugadi Kavitha Ghosti' was organized to motivate students in reading and enjoying beauty of language.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

The institution is always at the forefront in sensitizing students and staff towards constitutional obligations. As a part of sensitizing the stakeholders, the institution regularly organizing guest lectures, awareness campaigns, rallies etc. The NSS units & NCC wings of the institution take up active role in organizing such events every semester.

National Voters' Day

The 11th National Voters' Day was celebrated in our campus on 25th January 2021. Students took oath to cast their vote without any partiality or caste centered without fail as it's their responsibility to build the nation. Rally was also organized to bring awareness in the students and in the society to get transformed into responsible citizen and avail their vote.

Anti Drug Drive

NSS Units of P. B. Siddhartha College of Arts and Science, Vijayawada conducted an awareness program on "Anti Drug Drive".

Human Rights Awareness Program:

On Account of International Human Rights Day Women Empowerment Committee organized Awareness Program on Human Rights for students in the college campus on 9th December 2021.

Disha Act Awareness Program:

An Awareness program on Disha app is organized on 02-11-2021 to sensitize the girl students on how to use the app for protecting themselves from crimes against female gender.

7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

Best practice 1: Mentor - Mentee system

The main aim is to improve the personal rapport between the teacher and the student. The Mentor-mentee system has been conceived as method of handholding our students from beginning to the end in utilizing the resources to their advantage and derive the benefits intended for them. Under this system, a batch of

Page 68/128 02-12-2022 12:47:42

students, not exceeding 20 is assigned to a teacher on their admission to I year UG/PG programmes. The teacher is designated as mentor and entrusted with the responsibility of mentoring the mentees throughout the duration of the programme. The system was widely accepted by the teachers and they were willing to do their best to help the students.

Best practice 2: Outreach Programmes:

Pothole Filling is a programme started by our NSS unit I and II dedicated to a specific cause in each academic year. In the year 2020-21 the dedicated outreach programme is pothole filling. The College has initiated another social activity by providing space for Rytu Bazar, a vegetable market in which farmers are the vendors.

Our institution contributed its best to spread the richness of culture in all Arts and developed responsible nature towards society in our students through Mummaneni Subbarao Siddhartha Kala Peetham, a cultural wing of the college, regularly with a yearlong calendar. Siddhartha Foundation, a charity wing of the college is disbursing scholarships to deserving students.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

S-iSpace (Siddhartha Innovation Space)

S-iSpace (Siddhartha Innovation Space) at our institution is an Incubation cell to provide platform for the students to share their ideas and seek clarifications from experts about the prospects of their proposed business plans and start their entrepreneurial journey at young age to nurture, counsel, mentor students and leading them to think and do entrepreneurial activities and to facilitate regular interaction among students, start-up promoters, officials, executives, and other stakeholders.

Page 69/128 02-12-2022 12:47:42

The college collaborated with APIS and STARTUP SQUID to create necessary ecosystem to facilitate start up culture. This initiative is expected to benefit students with ideas to start their entrepreneurial journey at college level. Five students led start up ideas were finalized in which one got finally registered as business firm and four students.

Part B

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

Response

The curriculum of all programmes is developed, based on the feedback of the stakeholders, in line with OBE. An overview of the modifications in the curricula to meet the developmental needs at various levels is given below.

The project component is made compulsory in many of the programs and it helps the students to gain hands-on experience in the relevant discipline. Field work introduced in some courses enables the students to learn practically. Students are made to involve in extension and neighborhood activities. Courses encourage the family business (e.g. Managing Family Business) transforming the socio-economic status of the region. Industrial visits expose the students to real time problems.

The institute has introduced several new programmes in the areas of Data Science, Data Analytics, Cyber Security, Artificial Intelligence, Machine Learning etc., aiming at enhancing the technical and entrepreneurship skills of the students that are in sync with Start-up India policy. Courses are also in tune with the national mission of 'Make-in-India'. Python andR-programming keep the students technically sound. Courses on renewable energy, climate change and environmental effects are offered to sensitize the students to global scenario. In addition, a range of co-curricular and extracurricular activities are aligned with the multi-dimensional development of the student, which has an impact on the national and global developmental needs.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

Curriculum in the college integrates cross-cutting issues relevant to gender, environment and sustainability, human values and professional ethics

- 1. Gender Sensitivity: Gender related courses are the integral component of various programmes. Gender sensitization camps are organized in slums and rural areas of Krishna district about women's rights, human rights, child rights, gender justice and gender equality. Community outreach programmes like health and hygiene camps, and village adoption expose students to real life situations. College annually organizes activities that help in gender sensitization.
- 2. Environment and Sustainability: Strong community orientated work culture in the college enables sustainable way of life, that involves integration of water quality, air quality, education and healthcare, agriculture and dairy practices, innovation and human values. Skill courses like Water, Sanitation and Waste Management, Renewable Energy, Agriculture and Environmental and Green Technology are also part of

Page 73/128 02-12-2022 12:47:42

curriculum. "Environment studies" is a compulsory life skill course for all UG programmes. Great importance is accorded to research in inter-disciplinary areas focusing renewable energy, environmental pollution, agriculture, education and healthcare.

3. Human Values and Professional Ethics: Life skill courses focus Cultural Education, Scientific Methodology, General Knowledge and Current Affairs, Social Service, Comparative Study of Religions, Environment Studies and Disaster Management facilitate all-round development of personality.

The Institute also has a Model Code of Ethics to curb various malpractices.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The college categorizes the students into slow learners and advanced learners based on the prerequisite tests, class interaction, test performances, laboratory performance and their achievements in various events from each class.

Faculty members at the institute, give emphasis on improving the performance of slow learners by providing remedial coaching and conducting periodical tests, providing additional laboratory hours which are conducted outside regular classes. Specifically, for difficult subjects classes are taken for students who have failed in the exam where the faculty spares time to sit with those students individually to cope up with the subject.

Through mentor-mentee system faculty members also support slow learners. The efforts taken by the faculty has resulted in enhanced levels of students understanding. The mentor also identifies other skills and strengths of slow learners.

The advanced learners of the class have given special

assignment and ask them to do projects from industry and certifications in advanced concepts of the subject.

The toppers of each class are nominated as class representatives and office bearers, Coordinators of clubs and professional committees which facilitate to showcase their expertise. And also they will be sent to outside as college representative in participating various competitions and seminars.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

Institution has made provision in structure of all programmes to give students experiential and participative learning experience. Students can join any Industry / Advanced Laboratory / MNC etc. for internship in final year. Project work, assignment, quiz, presentation etc. are integral part of CIA in all programmes.

Student centric methods adopted by departments to provide Experiential and Participative Learning Experience:

- Offering MOOCS courses in the program curriculum.
- Participation of students in seminars, conferences,

- student contests and industrial visits.
- Encouraging the students to publish research articles in peer reviewed National / International Journals.
- Providing campus recruitment training to students.
- Presentation of market survey reports by the Commerce and Management Students.
- Engaging students in Public Awareness Programmes.
- Interdisciplinary Job Training is provided for students at Departments.
- Conducting additional lab exercises for advanced learners.
- Conducting intra departmental and State level student meets.

Problem solving Methods:

Design of Students Tasks that inculcate in them problem solving skills; they receive practical and direct experience of negotiating difficult situations, and are trained as capable, competent and accomplished individuals.

Problem solving methods used in student centric activities:

- 1. Trial and error
- 2. Breaking large task into small steps
- 3. Creating short goals to achieve the end.

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

College uses information and communication technology (ICT) in education to support, enhance, and optimize the delivery of education.

As institute is collaborated with Google, students and faculty are provided with institutional mail ids using to share e-materials which benefit the students to access the resources

anytime from anywhere.

Faculty members are empowering departments by conducting skill edge programs, hands on workshops on latest technologies, adapting curriculum designed by NASSCOM and by providing internship assistance. Institution is also collaborated with good number of professional bodies /Organizations to promote emerging it trends and online training & certifications.

The following tools are used by the institute

ICT tools:

- Projectors: projectors are available in different classrooms / labs.
- Desktop and laptops are arranged at computer lab.
- Seminar rooms: one seminar halls and one webinar hall is equipped with all digital facilities.
- Smart board: smart boards are installed in the campus.
- Auditorium: it is digitally equipped with mike, projector, cameras and computer system.
- Online classes through zoom, Google meet, Microsoft team, Google classroom.
- MOOC platform.
- Digital library resources.(del net, myloft, Magzter etc.)

Online competitions: Various technical events and management events such as quiz, debates, paper presentations etc. are being organized with the help of various information communication tools.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Before the commencement of the academic year, the institution prepares and publishes 'Academic Calendar' containing the relevant information regarding the teaching learning schedule (working days), various events to be organized, holidays, dates of internal examination, semester examination etc.

The Academic Calendar is prepared so that teachers and students should know all the activities regarding continuous internal evaluation process.

Every department has to submit the compliance of the academic calendar as part of their annual submissions. In addition the internal audit conducted which ensures the compliance to verify with documentary evidence.

The process is as follows:

Teacher: Every teacher is assigned the courses to be taught during the academic year. Teacher plans, teaching and evaluation schedule of assigned courses has to be maintained by the concerned teacher.

Head of the Department: The Head of the Department compiles the Academic Plan submitted by the teachers and ensures that there is no overlapping of the activities in general and the internal examinations as well as the external examinations. Then the academic calendar is forwarded to the IQAC.

IQAC: The IQAC compiles the inputs received from the various departments and a comprehensive plan is prepared and uploads on the college website.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The IT integration has rationalized the whole examination procedure and has raced up the operational mechanism, while making the complete procedure more transparent.

The institution has developed Customized Software which includes the following practices

- Semester-End Examination Applications received from candidates are registered and data is computerized.
- Timetable is prepared and data entry is made.
- Halltckets are generated and printed with relevant time table with dates and time of examination for which the candidate has registered.

- Date wise and session wise list of candidates is generated and printed.
- Code numbers to be printed on answer scripts are autogenerated.
- Marks scored by students in CIA are recorded by data entry in database.
- Marks awarded by external examiners in Semester-end Examination are entered twice by two different data entry operators to find out mistakes in data entry.
- Register of Tabulated Marks is generated and printed.
- Marks Sheets / Grade Sheets are printed.
- Results are announced after getting approval from the Principal.
- Students can avail the facility of revaluation after the release of Results. If the students benefitin revaluation the marks awarded after revaluation are considered.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The learning outcomes are clearly defined for all academic programmes and courses of the College. They are instrumental in achieving the mission and objectives of the college. The learning outcomes are measurable and are expressed as complete declarative sentences.

The outcomes are assessed and measured to identify the extent to which goals are accomplished. The assessment of student learning outcomes is done by using direct and indirect measurement tools. Through course outcomes students can able to

- 1. Acquire, synthesize, and communicate knowledge by incorporating relevant disciplinary approaches, cultural perspectives.
- 2. Recognize moral and ethical questions in lived experiences, evaluate alternatives, and act with integrity.
- 3. Contribute to the common good by displaying a disciplined sensibility and committed engagement in response to complex challenges facing local, national, or global communities.
- 4. Demonstrate the vision and self direction necessary to articulate, set, and advance towards their goals.
- 5. Think critically in formulating opinions or accepting conclusions.
- 6. Exhibit creativity or innovation in pursuit of their intellectual interests.

COs are stated in session plan and available online. POs are stated in the programme structure and available online. Programme learning outcomes are also available on website for each academic programme.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The college has a process of evaluating data on programme and course outcomes, in its process to overcome the barriers in learning.

The assessment takes place at following levels:

- a) The Course-level Assessment includes:
- 1. Continuous Assessment.
- 2. End semester Examination Assessment.
- b) The Programme level assessment includes: Assessment of Programme Outcomes through direct and indirect methods.

Method of Assessment: A. Direct Assessment Methods:

- 1. Internal Examinations: Two written examinations are conducted and their average mark is considered.
- 2. Assignments: Average mark of two assignments is considered.
- 3. Internal practical examination: Continuous evaluation is considered.
- 4. Comprehensive viva voice Examination: It is to assess the student's technical and analytical skills.
- B. Indirect Assessment Methods:
- 1. Course End survey: This survey gives the opinion of the student on the attainment of course outcome. Here, the CO attainment is calculated under indirect assessment.
- 2. Programme Exit Survey: This survey is conducted at the end. It gives the opinion of the graduate on programme outcomes.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The college aims to create and support a research culture among its staff and students, enriching and enhancing the professional competence of the faculty members for developing and promoting scientific temper and research aptitudes of all learners. The college is also working for the contribution to the National development by providing necessary funding for facilitating the research and related activities. It also aims at ensuring that the research activities of the college conform to all applicable rules and regulation as well as to the established standards and norms relating to safe and ethical conduct of research. The research policy of the college clearly spells of the methodology to be followed in doing ethical research and proper reward system for the researchers.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

Response: The College has created an eco system for budding entrepreneurs by providing proper training to start their own ventures based on their creative ideas.

S-iSpace (Siddhartha Innovation Space) is established in the campus with an aim to provide platform for the students to share their ideas and seek clarifications from experts. This has provided all the required inputs for the students aspiring to become entrepreneurs.

Activities of S-iSpace

- 1.MoU with APIS (Andhra Pradesh Innovation Society and Startup Squid) A Memorandum of understanding is signed, in the form of tripartite agreement among APIS, Startup Squid and the college.
- 2.Startup Saturday with the support of Startup Squid and APIS, two hundred students from different colleges of various disciplines were given training for six months on every

Saturday on idea creation, idea formulation, etc.

The S-iSpace of the college has chalked out the following activities to enhance the incubation eco-system further.

- a. To organize learning sessions through workshops, seminars, invited talks on regular basis;
- b. To support the startups with seed funding and other needed help;
- c. To be part of eco-system to promote the initiatives of Government such as Make In India, Start

Up India., etc.,

The college is organizing webinars on entrepreneurship, seminars on new technologies for the budding entrepreneurs.

3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

The institute promotes regular engagement of students with neighborhood community for their holistic and sustained development by conducting various activities like awareness programs, workshops, rallies, National Integrity related activities with themes like cleanliness, gender sensitization, traffic rule awareness and empowerment of women. Continuous voluntary activities like Swachh Bharat, Blood Donation have been organized. These activities are well planned and conducted with the involvement of local authorities wherever needed.

Page 93/128 02-12-2022 12:47:42

Impact & Sensitization:

Exposure to the extension and outreach activities have sensitized the students towards social issues and also they find solutions for some issues like domestic violence, dowry, child abuse, female child, victims of violence, issues to the old people and support to covid victims etc. The activities conducted lead imbibing the values of social responsibility such as:

- 1. Helping people in need and distress
- 2. Understanding the needs of under privileged children
- 3. Cleanliness in all spans of life and common places.
- 4. Importance of Ethical values in Society and its need
- 5. A profound interest in environmental related issues.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

Response: The Physical infrastructure available in the college is adequate, appropriate, supportive and sustainable to the students for their academic pursuit and holistic development. The campus is Wi-Fi enabled, with 110 Mbps bandwidth network. Media Centre, Webinar hall, Seminar hall, Conference hall, eclass rooms, Studio, Data Centre, Central Research lab, Idea room/incubation centre are the other hangouts available in the college. Classrooms are equipped with permanent/ movable LCD projectors and 4X8 feet white boards/Interactive boards for ICT enabled teaching. An excellent collection of books is available in the Central Library and Department Libraries. An Auditorium with architectural acoustics accommodates nearly 1000 students. Studio facility in the webinar hall facilitates the video recording of the subject content. A well-furnished Cafeteria caters the students and staff with delicious eatables and beverages at nominal rates. The College has lift facility to staff, students and also for the disabled persons. The college buildings are equipped with fire safety system. In addition to the above facilities the college is provided with uninterrupted power supply (125KVA generators - 2No's), UPS for labs, and also have restrooms for both genders, all facilities for divyangans, 700 lt/hr RO plants-2No's, Canara Bank Branch, Post Box, First-Aid room, City health Centre, Shared hostel accommodation for the students.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

Response: The College has adequate facilities for sports, games and cultural activities. A spacious playground exists on the campus for games such as Cricket, Football, Volleyball, Basketball and Athletics. Floodlight facility is available to

Page 96/128 02-12-2022 12:47:42

the Basketball court, facilitating day and night matches. Walking track around the play field is used by the community and stakeholders of the college for their fitness. Indoor Stadium provides facilities for indoor activities such as Table - Tennis, Shuttle Badminton, Weight Lifting etc. Wooden floor is maintained to conduct the competitions at national level. A modern multi-gym in two frames containing 32 stations is serving the fitness needs of all the stakeholders. The infrastructure in the gym is also utilized by the community and neighborhood. A space is also earmarked for yoga. It is very serene in ambience and absorbing in practice. A large auditorium that can accommodate 1000 spectators caters to exhibit the cultural performances by students and public. The college has conducted one South Zone level volleyball tournament, 11 inter-collegiate tournaments at Krishna university level and the college ground was used for several private tournaments like Eenadu cricket competitions, etc. An open stage with audio facilities is available to support all cultural activities.

4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

Response:

The College has high-end infrastructure particularly Computer systems in its labs, LAN network for sharing band width and WiFi. The IT infrastructure in the labs, server rooms are well

maintained and also having air conditioning facilities. The ICT facilities and other learning resources are sufficiently available in the institution for academic and administrative purposes. All departments are equipped with E-Class Room set up. The institution has 830 computer systems connected with 11 servers in LAN accessed to the Internet at a total bandwidth of 110 mbps along with Wi-Fi connectivity. Computer centers are using proprietary and open source software. Tally ERP 11 software is used for accounts and auditing. The library is automated using the NewGenLib 3.1.2 (Integrated Library Management System).

The college has it's IT policy and take actions as per policy for ample technology deployment and maintenance. As per the policy, the college provides WiFi to the stake holders and taken necessary care with reference to Cyber security.

Every year, the college authorities approve budget for Procurement of additional Infrastructure and for maintenance of existing networks, systems and supporting gadgets in Board of Management (BoM).

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.

The Policy of the college is primarily focused on adequacy and optimal utilization of facilities to maintain the quality of education. The details of the policy with regard to systems and procedures for maintaining and utilizing physical, academic and support facilities are approved by the governing body. Committee recommendations are reviewed periodically for

formulating action plan, budgeting, AMC and outsourcing.
Maintenance committee of the college reviews all the facilities that are available, takes feedback from all the Heads of the department regarding facilities required and recommends to the governing body of the institution.

The governing body appoints permanent technical, skilled and unskilled employees to take care of day to day maintenance of infrastructure which is supervised by the supervisors of the office. The supervisor coordinates with technical, support staff for the maintenance of indoor and outdoor infrastructure and facilities of the institution. It is the responsibility of supervisor for up keeping and cleanliness of classrooms, laboratories, library, gardens, playgrounds and surroundings. Institution has Annual Maintenance Contract (AMC) with the suppliers. Initiatives are taken from time to time to improve the physical ambiance of the campus. The institution has developed policies and procedures for the purchase and maintenance of the infrastructure.

5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

The student council is the voice of the student body. Important responsibilities of the members of Student Council are appointing graduate student members in committee those covering a variety of issues and handling diversified situations. The student council helps in sharing students' ideas, interests and concerns with teachers and higher authorities. They design to learn skills, an extension of their formal education. The general aim of the body is to coordinate a wide range of cocurricular & extra-curricular activities apart from practicing and promoting values in the process of living up to the mission of the institution. This gives an opportunity to develop leadership skills by organizing and executing the set goals of the student community by students - aptly for students and by students. In addition, community welfare is also in the front seat while shaping the personality of a student in the college, inculcating the habit of giving back to the society, as a responsible entity of the community. College promotes and encourages the involvement of students in organizing college activities. The students learn to co-operate at various levels acquiring the qualities like perseverance, sympathy, empathy, steadfastness, righteousness, discipline etc that are needed

for a successful life.

5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

P.B. Siddhartha College Alumni Association is a registered body with Regd.no: 767/21.12.2000 and the purpose of this Association isto foster a spirit of loyalty and to promote the general welfare stakeholders of alma mater. As a part of committed responsibility, the alumni have provided internships and placement training to the students. Our college is not the only cynosure to the Alumni Association, public or the neighborhood. Various activities are also conducted throughout the year as a social responsibility. Clean and green, drinking water facilities, awareness programmes and curtainraiser programmes are also the part of agenda for the association. Life skills, communication skills and employability skills are the identified key areas supported by the alumni association to enrich the student community. The Alumni also organized seminars, guest lectures and faculty development programmes to enrich the teaching faculty. Scholarships, free ships and cash awards will be disbursed to the deserving students to pursue their dream careers. To meet all these responsibilities, the association aims at conducting fund raising events and charity donations from the members and

Page 106/128 02-12-2022 12:47:42

public. It also promotes the membership from the outgoing students of the college through subscription. Supporting the college, in any possible, is a gratification to the alumni.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Institution has a broad vision statement and well defined mission statements. The vision is to groom the student with holistic education. The governance at P.B. Siddhartha is always aimed at fulfilling the vision with a successful mission. Imparting leadership skills in students is one such aspect of holistic education.

In order to impart leadership skill, the college follows participative decision-making process which is a key factor not only to achieve the vision, mission and goals of the institution but also in building the team spirit and good organizational culture. The excellence of the institution is based on effective functioning of its academic and administrative units which are governed by the guiding principles. The effectiveness of leadership of the faculty and Management is enhanced through continuous involvement in organizing institutioncentric activities.

The Management of the college created a participative working environment of security, trust, and expertise to facilitate the creative and innovative process. The Professional faculty development programs on Management Skills, Teaching and

learning methodology and communicative skills are often conducted to improve the leadership qualities. Every faculty member is involved in various academic, administrative and other non-statutory committees. The College Committees are led by senior faculty members and supported by the second-line leaders among the faculty.

File Description	Documents
Upload any additional information	<u>View File</u>
Paste link for additional Information	https://www.pbsiddhartha.ac.in/profile.ph

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

To facilitate participatory management and democracy, faculty, non-teaching staff, parents, alumni and students are been part of academic and administrative governance of the institution. The outcomes of this ecosystem are collective leadership, empowerment and multilevel tasking. This practice helps in defining policies & procedures, framing guidelines and rules & regulations of the governance in the institution.

Decentralization in P. B Siddhartha College of Arts & Science is a systematic distribution of authority at every level cutting across the hierarchy to have effective participation both in Academic and Administrative works.

Academic decentralization functions through the Administrators, IQAC, statutory and non-statutory committees. All Committees constituted with staff and students follow the vision, mission, strategic goals and objectives of the Institution. The most important wings like III cell (Industry Institute Interaction cell), EDC (Entrepreneur Development Cell), Women Empowerment Cell, Placement Cell, Skill Development Cell etc., are crucial in extending necessary inputs and insights empowering the student community of the college. Grievances Cell, Internal Complaint cell have big role in redressing the misunderstandings. Mentoring system in the college is very effective in tutoring the wards. Alumni contribution is no less significant in governance. Co-curricular and extra-curricular wings complement the holistic development of the students.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

As drafted in the Strategic Plan 2018-2025, the institution making efforts year after year to realize the goals. The key aspects of the plan include Academic Excellence, Wholesome Education, Research Excellence, Collaborations, Start-ups & Entrepreneurial Development, Self-learning & continuous learning, Career counselling and Training & Placements. These strategic targets are achieved by the presence of healthy governance in the institution, adequate infrastructure and sufficient funding. Offering Diverse and Job Oriented Programmes, Entrepreneurship Development, Startups and placements are focused areas. Two New Programmes offered in the academic year 2020-21 in collaboration with TCS are B.Com.(BPM) Business Process Management and B.Sc. (CSCS) Computer Science with Cognitive Systems. Skill Training Centre, Well-designed Teaching Learning Systems and Enhanced Research Support and Innovation are few more outcomes in this academic year. Enhanced ability of Human resources, Garnering Support from Alumni and Philanthropists, Creating Eco-friendly Campus, helping the neighborhood achieved satisfactorily.

Entrepreneurship Innovation and Start-up Centre of P.B. Siddhartha College of Arts and Science (PBSCAS-EISC) is encouraging start-ups for aspiring entrepreneurs and supporting them by providing necessary infrastructure and resources grooming the young entrepreneurs and to cultivate the startup culture in the campus with 360 degree support facilitation. Govt. Authorities, DIC-GM, MSME-Authorities, Bankers, Entrepreneurs, Socio Entrepreneurs, Start-up promoters are roped in for the benefit of young entrepreneurs.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The Institution has a well-defined organizational structure and hierarchy to support participative decision making processes. The Organizational structure helps in assigning tasks, delegating authority to get things done, creating accountability, bringing coordination among various activities and programmes for teaching-learning processes, research, cocurricular activities and extracurricular activities through involvement of stakeholders in various Committees/ Boards.

Governing Body (GB)/Board of Management (BOM), Executive Council and Academic Council constituted with members having domain expertise. Decisions made by GB, Core committee, Academic Council and Planning & Evaluation committee are disseminated by the Principal to all the teaching and nonteaching staff members for implementation. Principal will look after all bodies particularly Office administration, Academics, Training & Placement, Extracurricular activities and various committees. The Principal also maintains cordial relations with alumni, MoU partners, people from society and take decisions actively. Anti-ragging, Internal complaints committee and other statutory committees are established and doing their role. Core Committee, Academic Council etc. constituted for evaluating, monitoring and recommending actions related to Institutional Capacity, introduction of new programmes, design and review of Course Curriculum; Research; Examination and Evaluation, etc. for sustaining and enhancing quality education.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

The very logic behind providing welfare schemes is to create efficient, healthy, loyal and satisfied employees for the organization. The institution has effective welfare measures for teaching and non-teaching staff. Various facilities, services and amenities have been provided to employees for improving their health, efficiency, economic betterment and social status. The management of the institution has been offering various employee welfare schemes and amenities to both teaching and non-teaching staff are as follows.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

External Audit:

The income and expenditure of the institution are subjected to regular internal and external audit. External auditor is

appointed by the institution who executes the statutory audit. Last audit was carried out in the month of November 2021. No irregularities were found in the audit. The institution has been engaging qualified chartered accountants and experienced audit expertise to conduct the internal and external financial audit. The auditor can verify all the finance related income and expenditure statements, documents like bill books, cash books, ledgers, other financial statement etc. The commissioner of collegiate education delegated Government auditor also to check the college financial accounts. Random audit will be conducted by the auditors of the Accountant General Govt. of India. They also verify the college accounts relating to Government grants, UGC grants and its utilization.

Internal Audit

The institution has constituted a committee of internal audit with experienced faculty to undertake the task of a systematic evaluation and documentation of financial statements, taxes, expenditures and incomes, obtained by the institution from Registration & Academic Fee, Payment Transactions, and Funds & Donations from non-govt. organizations, individuals, philanthropists, Grants from Government or other local bodies, and other sources. The committee conducted audit in the month of 13th December, 2020. No discrepancies were found in the audit.

6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

Institution has taken utmost care for the mobilization and utilization of funds to meet the objectives. The institutional strategy to generate funds is primarily based on Quality enhancement strategy. This strategy will be related to teaching learning, research and development, consultancy etc. By providing quality enhancement, a better fee structure can be claimed by the college. Quality enhancement of the institution is nurtured to generate funds from different sources like Institutional consultation, user fee of infrastructure, alumni, Tuition fee etc. Adequate funds are allocated for effective academic and administrative processes, maintenance of Infrastructure, amenities in the institution. Funds are allocated for community service activities.

Procedure to prepare annual estimates of Income and expenditure

- The institution and departments propose their annual financial plans based on academic planning to the finance committee of the institute to achieve educational purposes and objectives.
- The proposed budget is examined by the finance committee of the college for the academic year.
- The administrative and financial approvals are taken from competent authority i.e. Governing Body as per policy and guidelines.
- The various heads for which budget is prepared and funds allocated are confirmed by the finance committee as per the guidelines of GB.

The Finance committee is responsible for observance of regulations relating to maintenance of accounts of income and expenditure and considers any other matter referred by the executive council of the institution.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

Response:

IQAC has been putting its tireless efforts in improving the academic and administrative performance and is contributing towards quality enhancement through internalization of quality culture and institutionalization of best practices. Two significant practices institutionalized during last five years are:

The IQAC has taken initiatives to improve research culture by arranged number of FOPs and FDPs. It has initiated financial assistance to conduct research projects by faculty with the support of the management and also incentives for quality research publications ranging to a maximum of Rs.15000/-. The training programmes like "Quality Research Publications in Scopus and Web of Science Journals", "Submission of Research Proposals for Grants from Funding Agencies", "Intellectual Property Rights - Patenting" etc are organized. Quality research publications in Scopus and Web of Science journals as well as one patent are published during 2020-2021.

The IQAC of the institution has initiated to conduct workshops, seminars etc., and also taken initiative for arranging required facilities like laptops, enhanced wi-fi bandwidth, gadgets like pentabs, microphones, camera stands etc., with the support of the management for online teaching in pandemic situation. These initiatives have resulted in successful conduct of online classes to the students, of course to the satisfaction of students and parents. This has helped in on time completion of academic year.

File Description	Documents
Upload any additional information	<u>View File</u>
Paste link for additional information	Nil

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

Teacher in this college is a facilitator in the classroom to transform a student into active participant in learning process. The faculty in the college is well trained through FDPs and FOPs. Faculty have initiated flipped classroom in their regular teaching. This blended teaching includes open resource videos and PPTs along with regular method. Some courses are integrated with theory and simultaneous hands on experience. Students are mandated to participate in seminars, workshops and subject related guest lectures. Industrial trips and field visits are compulsory in most of the courses enabling the students to gain experiential learning but missed in this academic year. The delivery system in the classroom is reviewed from time to time by IQAC. Most faculty members are with higher qualifications and the faculty members are encouraged to improve their qualifications. In the pandemic situation, the faculty members are guided to enhance their knowledge through online platforms. All faculty members completed not less than 2 courses in their domain and interdepartmental areas. Faculty members are carrying out quality research publishing good number of quality research papers in reputed journals.

Feedback collected from the stakeholders regularly on the syllabus, faculty and amenities in the institution. The collected information is analyzed statistically. Necessary actions were initiated in desired areas.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The health consequences on gender inequality have the greatest effect on women and girls. Gender norms are embedded in our institution. Normative expressions of femininity encourage women's health. In this regard 4 (Andhra) Girls BN, NCC and Women Empowerment Cell in the college organized a Webinar for girl students on 'Hygiene for Adolescent Girls' on 2nd January 2021 by Dr.A. Vijaya Lakshmi, Gynecologist from Hyderabad. 200 girl students watched online. On 15th June a Webinar on 'Stress Management, Resilience and Living' was hosted.

Ms Anita Peter a multifaceted personality who wears many hats as Author, TedX Speaker, Biker and CEO of Persona Script dwelt on how to counter the stress caused by various reasons. 2110 viewed on YouTube in August 2021.

WEC organized webinar on Nutrition the best way to improve Immunity, by Dr. Pernicle Srinivas, on 15th July 2021 through You Tube to attain protection from Corona or any other kind of viral infection.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

All waste materials generated in the college are properly managed. The Centre for Green Initiatives in the college ensures the waste management including the proper collection, treatment and disposal of all kinds of wastes, along with regulation of the waste management process. The paper waste from the College is shredded or sold to a waste entrepreneurial NGO named 'Green Bin'. One-side-used paper is reused for printing in the office as well as departments. Solid waste is segregated into biodegradable and non-biodegradable wastes at the source itself. The total solid waste collected in the campus is nearly 21 kg/day. Biodegradable waste is managed using the solid waste well ventilated pit. Biological scum is used for fast degradation. The organic waste from canteen and mess is sent to vermicomposting shed. Scientifically managed vermicompost shed facilitates the conversion of kitchen waste into manure.

Segregation of chemical waste from laboratories is also practiced. Due care is taken for hazardous chemicals. Metal,

glass and wooden waste is stored before being disposed of to an authorized scrap agent for further recycling. The waste water generated in RO process is used in the college washrooms and watering the plants. The college has entered into MoU with a vendor for disposal of e-waste. Certificate is issued by the vendor for its recycling.

7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

Best practice 1: Mentor - Mentee system

The main aim is to improve the personal rapport between the

teacher and the student. The Mentor-mentee system has been conceived as method of handholding our students from beginning to the end in utilizing the resources to their advantage and derive the benefits intended for them. Under this system, a batch of students, not exceeding 20 is assigned to a teacher on their admission to I year UG/PG programmes. The teacher is designated as mentor and entrusted with the responsibility of mentoring the mentees throughout the duration of the programme. The system was widely accepted by the teachers and they were willing to do their best to help the students.

Best practice 2: Outreach Programmes:

Pothole Filling is a programme started by our NSS unit I and II dedicated to a specific cause in each academic year. In the year 2020-21 the dedicated outreach programme is pothole filling. The College has initiated another social activity by providing space for Rytu Bazar, a vegetable market in which farmers are the vendors.

Our institution contributed its best to spread the richness of culture in all Arts and developed responsible nature towards society in our students through Mummaneni Subbarao Siddhartha Kala Peetham, a cultural wing of the college, regularly with a yearlong calendar. Siddhartha Foundation, a charity wing of the college is disbursing scholarships to deserving students.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

S-iSpace (Siddhartha Innovation Space)

S-iSpace (Siddhartha Innovation Space) at our institution is an Incubation cell to provide platform for the students to share their ideas and seek clarifications from experts about the prospects of their proposed business plans and start their

entrepreneurial journey at young age to nurture, counsel, mentor students and leading them to think and do entrepreneurial activities and to facilitate regular interaction among students, start-up promoters, officials, executives, and other stakeholders. The college collaborated with APIS and STARTUP SQUID to create necessary ecosystem to facilitate start up culture. This initiative is expected to benefit students with ideas to start their entrepreneurial journey at college level. Five students led start up ideas were finalized in which one got finally registered as business firm and four students.
