AGENDA

1. To discuss about the *Course Structure and Syllabi of Third Semester* for BCA, B.Sc.(MPCS, MECS, CAME, MSCS, CAMS, CSCS) and B.Com. (CA) programmes, for the students admitted in academic year 2020-2021 and onwards.

2. To discuss introducing *Model Papers* of Software Engineering (CSCT51), Information Security Incident Response Management (Security Analyst - III) (CSCT57A), Object Oriented Analysis and Design (CSCT58), Data Mining and Warehousing (CSCT59A), Software Testing Methodologies (CSCT510) for the *V Semester* of BCA programme adopting Course Outcomes in line with guidelines of OBE following Bloom's Taxonomy for the students admitted in the academic year 2019-2020 and onwards.

3. To discuss introducing model papers of Software Engineering (CSCT51), Database Management Systems (CSCT52) for the V Semester of B. Sc. (MPCS/MECS/CAME/MSCS/CAMS) Programmes adopting Course Outcomes in line with guidelines of OBE following Bloom's Taxonomy for the students admitted in the academic year 2019 - 2020 and onwards.

4. To discuss introducing model papers of E-Commerce (CABT51), Web Technology (CABT52), Programming in C (CABT53) for the V Semester of B.Com (CA) Programme adopting Course Outcomes in line with guidelines of OBE following Bloom's Taxonomy for the students admitted in the academic year 2019 - 2020 and onwards.

RECOMMENDATIONS

1. Resolved and recommended to introduce a *New Structure* for *III Semester* of BCA, B.Sc. (MSCS, CAMS, MECS, CAME, MPCS, MSDS, CSCS) and B.Com (CA) Programmes in line with APSCHE guidelines for the students admitted in academic year 2020 - 2021 and onwards. Please refer to Appendix-I for structure.

2. Resolved and recommended to implement the *Revised Syllabus & Model Paper* of **Database Management Systems** with revised course code **CSCT34B** and **Database Management Systems Lab** with revised course code **CSCP33B** for BCA programme in **Semester III** for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-II for *Syllabi and Model Paper.*

3. Resolved and recommended to implement the revised lab cycle for **Operating Systems Lab** with revised course code **CSCP34A** for BCA programme in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-III for Lab Cycles.

4. Resolved and recommended to introduce **Computer Networks** with course code **CSCT36** and **Computer Networks Lab** with Course Code **CSCP35** for BCA Programme in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-IV for syllabi, model paper and lab cycle.

5. Resolved and recommended to implement the revised syllabus of **Object Oriented Programming using Java** with course code **CSCT31A** and **Object Oriented Programming using Java Lab** with course code **CSCP31A** for B.Sc.(MPCS, MSCS, CAMS) Programmes in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-V for *Syllabi* and *Model Paper*.

6. Resolved and recommended to introduce **Database Management Systems** with course code **CSCT37** and **Database Management Systems Lab** with course code **CSCP36** for B.Sc.(MSCS, CAMS, MPCS, MECS, CAME) Programmes in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-II for *Syllabi* and *Model Paper*.

7. Resolved and recommended to introduce Skill Development Course titled **Cyber Security Essentials** with course code **SDCCSCT05** for B.Sc. (MSCS, CAME) Programmes in *III Semester* for the students admitted in the academic year 2020-2021 and onwards. Please refer to Appendix-VI for *Syllabus* and *Model Paper*.

8. Resolved and recommended to introduce **I T Infrastructure Management** with course code **CGST31** and **I T Infrastructure Management Lab** with Course Code **CGSP31** for B.Sc. (CSCS) Programme in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-VII for *Syllabi, Model Paper* and *Lab Cycle*.

9. Resolved and recommended to introduce **Database Management Systems** with course code **CGST32** and **Database Management Systems Lab** with Course Code **CGSP32** for B.Sc.(CSCS) Programme in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-VIII for *Syllabi, Model Paper* and *Lab Cycle*.

10. Resolved and recommended to introduce **Object Oriented Programming using Java** with course code **CGST33** and **Object Oriented Programming using Lab** with Course Code **CGSP33** for B.Sc.(CSCS) Programme in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-IX for *Syllabi, Model Paper* and *Lab Cycle*.

11. Resolved and recommended to introduce Skill Development Course titled **Web Designing Lab** with course code **SDCCSCT07** for B.Sc.(CSCS) Programmes in *III Semester* for the students admitted in the academic year 2020-2021 and onwards. Please refer to Appendix- X for Lab Cycle.

12. Resolved and recommended to introduce **Programming with C & C++** with course code **CABT31A** and **Programming with C & C++ Lab** with Course Code **CABP31A** for B. Com. (CA) Programme in *Semester III* for the students admitted in the academic year **2020-21** and onwards. Please refer to Appendix-XI for *Syllabi, Model Paper* and *Lab Cycle.*

13. Resolved and recommended to approve the syllabus with Course Outcomes and Model Paper mapped with Course Outcomes which is developed in line with OBE of Software Engineering (CSCT51), Information Security Incident Response Management (Security Analyst-III) (CSCT57A), Object Oriented Analysis and Design (CSCT58), Data Mining and Warehousing (CSCT59A), Software Testing Methodologies (CSCT510) of BCA Programme following Bloom's Taxonomy in *Semester V* for the batches of students admitted in the academic year 2019-20.

14. Resolved and recommended to approve syllabus with Course Outcomes and Model Paper mapped with Course Outcomes which is developed in line with OBE of Software Engineering (CSCT51), Database Management Systems (CSCT52) of B.Sc. (MPCS/MECS/CAME/MSCS/CAMS) Programme following Bloom's Taxonomy in *Semester V* for the batches of students admitted in the academic year 2019-20. Please refer to Appendix-XII for *Syllabus* and *Model Papers.*

15. Resolved and recommended to approve the syllabus with Course Outcomes and Model Papers mapped with Course Outcomes which is developed in line with OBE of E- Commerce (CABT51), Web Technology (CABT52), Programming in C (CABT53) of B. Com.(CA) programme and E-Commerce for B.Com. H (TPP) & B.Com H (A&F) Programmes with course Code COHT57 following Bloom's Taxonomy in *Semester V* for the batches of students admitted in the academic year 2019-20. Please refer to Appendix-XIII for *Syllabus* and *Model Paper.*
