Indian Servers

Vijayawada,

04-05-2023

We, at Indian Servers Private Limited, take immense pleasure in acknowledging the successful completion of the three-month internship program in **Animation and Graphic Designing** by our talented undergraduate intern, **Paluri Rakesh**. The program commenced on the **1st of February, 2023** and concluded on the **3rd of May, 2023**. During this period, our intern demonstrated exceptional skills, dedication, and creativity while working on various projects and tasks, which has not only contributed to the growth of our organization but also fostered their professional development.

Throughout the internship, **Paluri Rakesh** was exposed to a diverse range of projects involving 2D and 3D animation, graphic design, motion graphics, and visual storytelling. They had the opportunity to work closely with our experienced team of designers and animators, and actively participated in brainstorming sessions, project planning, and execution. This hands-on experience has provided them with valuable industry insights, enabling them to hone their skills and better understand the practical aspects of animation and graphic designing.

As a testament to their accomplishments, we proudly present this Internship Completion Certificate to **Paluri Rakesh** as a formal recognition of their hard work, dedication, and commitment to excellence. We are confident that the knowledge and skills acquired during this internship will serve them well as they embark on their future endeavors in the field of animation and graphic designing. We wish them all the success in their professional journey and believe that they will undoubtedly make a significant impact in the industry.

Indian Servers

Vijayawada,

04-05-2023

We, at Indian Servers Private Limited, take immense pleasure in acknowledging the successful completion of the three-month internship program in **Animation and Graphic Designing** by our talented undergraduate intern, **Moysi Bhavani**. The program commenced on the **1st of February, 2023** and concluded on the **3rd of May, 2023**. During this period, our intern demonstrated exceptional skills, dedication, and creativity while working on various projects and tasks, which has not only contributed to the growth of our organization but also fostered their professional development.

Throughout the internship, **Moysi Bhavani** was exposed to a diverse range of projects involving 2D and 3D animation, graphic design, motion graphics, and visual storytelling. They had the opportunity to work closely with our experienced team of designers and animators, and actively participated in brainstorming sessions, project planning, and execution. This hands-on experience has provided them with valuable industry insights, enabling them to hone their skills and better understand the practical aspects of animation and graphic designing.

As a testament to their accomplishments, we proudly present this Internship Completion Certificate to **Moysi Bhavani** as a formal recognition of their hard work, dedication, and commitment to excellence. We are confident that the knowledge and skills acquired during this internship will serve them well as they embark on their future endeavors in the field of animation and graphic designing. We wish them all the success in their professional journey and believe that they will undoubtedly make a significant impact in the industry.

Indian Servers Private Limited
Regards,
Sai Satish,

CEO, Indian Servers

CERTIFICATE OF INTERNSHIP

This is to certify that **Miss. Md. Shamina Parveen** student of **Parvathaneni Brahmaya Siddhartha College of Arts & Science** has successfully completed her Internship Program in "**Python Full Stack Web Developer Intern**" under the guidance and supervision of Mr. Samuel Chitturi, Python Developer, Codegnan IT Solutions Pvt Ltd, Vijayawada from **1st February 2023 to 24th May 2023**.

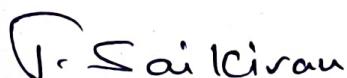

As part of her internship, She has worked on different case studies related to **MySQL, Python, Django, HTML, CSS, JavaScript, and Bootstrap..**

She also has successfully completed a project on "**Vehicle Service Management System Using Django**".

During her Internship, We found her to be professional, knowledgeable, and result-oriented with a theoretical and practical understanding of design work requirements. She has a friendly, outgoing personality and works well as an individual or a team member as required by the management.

On behalf of the company, I take this opportunity to wish her all the very best in his future career endeavors and have a smooth life.
